SAFTEY DATA SHEET

Section 1: Identification

Product Name:	Streseez Plus
Product Number:	#2025
SDS Number:	AH-1001
Intended Use:	Animal Feed
Manufacture's Name:	Dawe's Laboratories
Manufacture's Address:	3355 North Arlington Heights Road Arlington Heights IL, 60004
Telephone:	(800)323-4317
Fax:	(847)577-1898
Email:	HQ@DawesNutrition.com

Section 2: Hazard Identification

Hazards:	None
Label elements:	**SIGNAL WORD:** N/A Due to FDA Labeling Exemption

Section 3: Composition/Information on Ingredients

Component	Casrn	Concentration
Dust from Prepared Animal Feed (Vitamin and Minerals)		100%

Section 4: First-Aid Measures

First Aid	Flush affected area with water

Section 5: Fire Fighting Measures

Extinguishing Media:	Water.
Special Fire Fighting Procedures:	None.
Unusual Fire and Explosion Hazards:	None.

Section 6: Accidental Release Measures

Steps to be Taken in Case Material is Released or Spilled:	Remove and put in appropriate container; flush residue with water into drain.
Waste Disposal Method:	According to local regulations and standards.

Section 7: Handling and Storage

Store in a cool, dry, covered warehouse.

Section 8: Exposure Control/Personal Protection

Eye Protection:	Dust-tight goggles, if necessary.
Skin Protection:	Standard work gloves (rubber).
Respiratory Protection:	Respirator for fine dust.
Ventilation:	Adequate for dust.
Work/hygienic practices:	Comply with good manufacturing practices and local standards

Section 9: Physical and Chemical Properties

Boiling Point (°F):	N/A
Vapor Pressure (mm Hg):	N/A
Vapor Density:	N/A
Solubility in Water:	Highly Soluble
Specific Gravity (H_20=1):	N/A
Percent Volatile by Weight:	N/A
Evaporation Rate:	N/A
Appearance and Odor:	Off white to cream, faint vitamin odor.

Section 10: Stability and Reactivity

Stability:	Stable when stored in a cool, dry, covered warehouse, in original, unopened container.
Hazardous Decomposition Products:	None.
Hazardous Polymerization:	Will not occur.

Section 11: Toxicological Information

Routes of Entry: Inhalation: X Skin: X Eyes: X Ingestion:

Carcinogenicity: NTP: NO ARC Monographs: NO OSHA Regulated: NO

Effects of Overexposure: Excess dust may cause slight irritation of the respiratory tract or eyes.

Section 12: Ecological Information (Non-Mandatory)

Section 13: Disposal Consideration (Non-Mandatory)

Section 14: Transport Information (Non-Mandatory)

Section 15: Regulatory Information (Non-Mandatory)

Section 16: Other Information

NONE
