

Indoor/Outdoor UL507 Certified Oscillating Wall Mount Fan

The Indoor/Outdoor Wall Mount POW (Premium Outdoor Waterproof) fan from J&D Manufacturing is an oscillating, three-speed, waterproof fan with quiet operation. The POW Wall Mount fan includes a wall mount bracket and an attached 10' cord pre-wired for 115 volts so no electrician* is required.

These fans are perfect in areas that may come in contact with rain, humidity, and water spray like greenhouses, marinas, outdoor loading docks, patios, amusement parks, and wash bays.

*GFCI (Ground Fault Circuit Interrupter) recommended on all circuits.

Features

- Available in 24" and 30"
- Includes powder coated steel wall bracket
- High output performance and quiet operation
- 3-speed pull chain
- Attached 10' cord with 3-prong plug pre-wired for 115 Volts
- Range of oscillation — 93°
- UL507 certified for indoor and outdoor use
- Aluminum blades - painted
- Corrosion resistant, powder coated fan guards meet OSHA 1910.212(a)(5) requirements for installation at any height
- Totally enclosed, maintenance-free, direct drive high-efficiency motors have completely sealed ball bearings, UL and CUL recognized, and are covered by a **One Year Warranty**
- Rated for use with our misting/fogging products to increase cooling abilities
- GFCI (Ground Fault Circuit Interrupter) recommended on all circuits
- Minimal assembly required
